

Ixa Wall Lamp

by Foster + Partners

Inspired by the graceful movement of Alexander Calder's sculptures, the Ixa Wall Lamp brings balance, flexibility, and refined simplicity into everyday spaces. Designed by Artemide in collaboration with Foster + Partners, this version features an adjustable spherical head, allowing you to shape the light to suit your needs. Available in hardwired or wall plug options, it offers versatile installation for a range of interiors. Crafted from sustainable materials and finished in expressive colours—yellow, blue, anthracite, white, and red—Ixa is both sculptural and functional. Made in Italy.
