

Loop Piatto Ceiling Wall Light

by

The Arcolight Loop Piatto is a 5W wall or ceiling light that introduces a wider, flat-profile disc form to the Loop family. Rated IP65 with an IK02 glass shade and black polycarbonate base, it is suited to bathrooms, ensuites, and exterior areas as well as a broad range of commercial applications. Three switch-controlled CCT modes - 2700K (420lm), 3000K (450lm), and 4000K (450lm) - offer flexibility across settings, with a CRI of >90. Supplied with a 500mA low flicker trailing edge dimmable driver. The Loop Piatto is available in two glass diffuser styles: Opal, with a smooth satin finish, and Wave, featuring a concentric ripple texture with silicon diffuser. An optional decorative ring accessory (sold separately) is available in black, white, brushed brass, chrome, dark bronze, or matt nickel. The Arcolight Loop Piatto is part of the Arcolight collection, curated by Studio Italia.
