

Dalu Table Lamp

by Vico Magistretti

This re-creation of Vico Magistretti's Dalu table lamp captures the revolutionary spirit of 1960s design through its flowing thermoplastic form. Originally conceived during the psychedelic era, Magistretti's iconic silhouette maintains its cultural resonance today. The molded single-piece construction-available in contemporary color finishes-honors its heritage while adapting to modern interiors. More than lighting, Dalu embodies a timeless design philosophy that continues to inspire. Made in Italy by Artemide.
