# Tolomeo Midi Table Lamp

by Michele de Lucchi

An icon of Italian design from the minds of Michele De Lucchi and Giancarlo Fassina. First launched in 1987, Tolomeo is characterized by clean, minimalist lines and a robust aluminium structure. A distinctive element of the Tolomeo is its articulated arm system which allows for easy adjustment of height and tilt, while a stamped aluminum reflector in the lamp head ensures uniform light distribution. Tolomeo's timeless elegance and impeccable functionality has been recognised by numerous international awards, including the prestigious Compasso d'Oro. Tolomeo Midi maintains the compact dimensions of the diffuser of the Tolomeo Micro, increasing the power and extending the size of the structure and arms, thus allowing its use on work tables and desks.
