by Carlotta de Bevilacqua

Come Together is a sleek, portable lamp that blends high-performance lighting with sculptural simplicity. Designed by Carlotta de Bevilacqua, its transparent body acts as an optical light pipe - distributing a warm, even glow wherever it's placed. With up to 16 hours of cordless operation and a USB-rechargeable LED, Come Together offers freedom and flexibility without compromising on style. Available in aluminium, copper, or white, it's a modern essential for ambient lighting on the go.
