

## Cherry Wall Light

by Marcantonio Raimondi Malerba

Playful yet poetic, the Cherry Wall Light captures the charm of nature in a single, glowing gesture. Designed by Marcantonio and crafted in Italy by Cangiini & Tucci, this piece evokes the delicate beauty of a ripe fruit - its blown glass shade suspended like a berry, enclosing an LED source. The shaded transparency of the glass and the soft curves of the metal base create a sense of quiet elegance. Cherry is more than a light - it's a moment, a story, a promise of something new. Available in a range of colours, each piece is handmade with care, celebrating Italian craftsmanship and the joy of simple forms.
