

## Pirce Pendant

by Giuseppe Maurizio Scutella

A statement piece with sculptural elegance, Pirce Pendant by Artemide is designed by Giuseppe Maurizio Scutella and crafted in Italy. Its form begins with a slim disc that gently opens into flowing spirals, casting soft, ambient light and creating a captivating presence in any room. Even when switched off, Pirce draws the eye with its graceful curves and floating silhouette. Also available in wall and ceiling versions, Pirce is ideal for living spaces, dining areas, and interiors that celebrate contemporary Italian design.
