# Tolomeo Micro Table Lamp - Colour Matte Collection

by Michele de Lucchi

The Tolomeo Micro Colour Matte Collection table lamp is a special edition born from a collaboration between Artemide and Danese Milano, bringing a distinctive touch of colour to one of Artemide's most celebrated designs. Originally launched in 1987 by Michele De Lucchi and Giancarlo Fassina, the Tolomeo Micro combines minimalist lines with exceptional functionality. Its lightweight aluminium construction features a fully adjustable arm and head for precise light direction - a design that earned the prestigious Compasso d'Oro in 1989. This special edition introduces the Tolomeo Micro's refined form in five exclusive matte finishes: Light Blue, Blue Klein, Yellow, Lilac, and Green, adding chromatic warmth while honouring the technical precision of the original. The Tolomeo Micro Colour Matte Collection table lamp is made in Italy by Artemide.
