

Radius Downlight

by Arcolight

The Arcolight Radius 80 is a versatile IP65 recessed downlight suited to both interior and exterior applications. Available in 8W (672lm, IC-4) or 10W (749lm, non-IC-4) LED options, both delivering 90+ colour rendering and SDCM<2 for consistent colour output. Choose from 36 or 60-degree beam angles, with UGR<19 for effective glare control. DALI or phase cut dimming available across the range. Offered in black or white finish. The Radius 80 Downlight is part of the Arcolight collection, showcasing premium architectural lighting curated by Studio Italia.
